JW PAYNE CONSTRUCTION BRINGS MORE THAN 50 YEARS OF EXPERIENCE TO THE TEXAS BRIDGE AND HIGHWAY CONSTRUCTION MARKET

With the combined resources of their parent company, Fred Weber, Inc. of St. Louis, Missouri, JW Payne Construction has made an impact in the Northeast Texas construction market by working with TXDOT on the completion of numerous bridges, box culverts,

state highways and county roads for the region. Their strong reputation for quality construction, superior customer support and execution has led to continued growth. JW Payne is part of the Fred Weber, Inc. family of businesses that operates in Missouri, Indiana, Illinois, Kentucky, Florida, Wisconsin and Texas.

Put our vast resources to work on your next project and see for yourself why we have received national awards for excellence in construction.
